

# 100% Recycled 15 Roll Paper Towel Bundle

At Cascades, environmental protection has always been at the heart of our values since 1964. The company remains a leader in terms of innovative products all while being environmentally responsible.

The manufacturing of Cascades' paper does not require additional tree cutting. Indeed, these products are made with 100% recycled fiber from various industrial and residential recycling programs, participating in Cascades' preservation of millions of trees per year.
