New Cold Dome Food Container Lids

International Paper Foodservice Business is announcing an addition to our stock lid product offering – a new clear, dome food container lid made with PETE resin. PETE resin is good for cold applications.

The lids are available in 3 sizes.

Clarifying Facts:

- Available in sizes 8, 12 & 16oz
- All 3 sizes will be available by Dec 1st
- Samples of all 3 sizes of the lids are available at the sample center
- Collateral will be updated 1st quarter 2010
- Questions, please contact Rob Heimbach
