HOW WILL THE **GREENBOX™** INCREASE YOUR SALES?

'WOW' Factor = Buzz and New Customers

The unique design of the **GREENBOX™** is sure to create excitement, 'buzz' and word-of-mouth referrals in your neighborhood! This will draw in new customers and ensure that the old ones keep coming back to you!

Additional Convenience = Repeat Visits

Customers will return because they'll want that **GREENBOX™** pizza box that makes lives that much easier – whether for a college function, a birthday party, a soccer game or just for dinner-on-the-go!

Social / Community Mindedness = Customer Loyalty

Leading by example and being at the forefront of the green movement fosters goodwill within the community. With the **GREENBOX™** you will show customers that you believe in corporate responsibility and will engender strong customer loyalty and therefore increased sales.

Overwhelming Publicity = Even More New Customers

Scores of stories about the **GREENBOX™** pizza box on national television shows, in national newspapers and magazines and on virtually every social media site in existence will continue to create excitement, driving customers to seek out establishments that carry it! We'll make it that much easier for you by including your name on our website!
