Lock Out Tampering, Lock In Profits with SureStrip™

Tamper-Resistant Food Packaging from Sabert

Enhances Food Safety... and Your Peace of Mind

Your business is all about preparing great food... and keeping it that way, even after it's in the package. That's why the designers at Sabert have created a new way to protect your food from tampering. It's called SureStrip!

SureStrip from Sabert is the premier choice for safe and aesthetically pleasing fresh food packaging, offering you and your customers protection from intentional and unintentional tampering — so you can rest assured no one else handles your food before it's purchased.

Protect your reputation with SureStrip™ from Sabert. After all, It's Your Brand in Their Hand™... What does yours say?

Pop-tight Lids, for Resealable Leak Resistance... and More

Lids with SureStrip from Sabert don't just protect your food before they're initially opened, they offer peace of mind before and after they move off the shelf or out of the case.

- Pop-tight lids prevent liquids from leaking before and after initial opening
- Effective combination of strength and high product visibility
- Stacking feature allows for secure multi-layer displays and safe transport

Beautiful, Safe Displays... Anywhere Packaged Food is Handled

SureStrip Tamper-Resistant Food Packaging from Sabert is ideal anywhere consumers handle packaged food before purchasing, including:

- Supermarkets
- Packers/Processors
- Convenience Stores
- Schools, Hospitals, Airports, and B&I

Shrink Bands Shrink Profits

Sealing equipment can be costly, temperamental and difficult to automate. With SureStrip from Sabert, all you need are two hands to seal your packaged food. Benefits include:

- No sealing equipment to buy and maintain
- Less labor, energy and material cost... for you and your customers
- No need for heat exposure, which can decrease shelf life
