Deep Platters

NEW CaterLine® Casuals™ heavy-duty DEEP trays offer quality and visual appeal in an economical package. For tasks that require extra security, higher side walls offer increased capacity, leak resistance and superior strength.

Ideal for: subs / hoagies, sandwiches, large salads, deli meats, produce, baked goods or anything that requires extra packaging performance.

- Stay-fresh channel in tray bottom allows meats, fruits and vegetables to drain and maintain freshness.
- Nesting / stacking rings facilitate tray-to-dome stability for added security in transport.
- Clear PET domes, with #1 recycle symbol, feature dual 'Press-n-Lift' tabs* which facilitate removal and make opening and re-closing a snap.
- Multiple dome heights available to suit specific packaging needs.
- Dome lids universally fit all round WNA trays for great versatility.
