

IMPERIAL DADE ANNOUNCES THE ACQUISITION OF SIKES PAPER & CHEMICAL SUPPLY, INC.

Atlanta, GA – February 1, 2018 – Imperial Dade has acquired the assets of Sikes Paper & Chemical Supply, Inc. (“Sikes”). The transaction represents the fifteenth acquisition for Imperial Dade, a leading national distributor of disposable food service and janitorial supplies, under the leadership of Robert and Jason Tillis, CEO and President of Imperial Dade, respectively.

Sikes, based in Atlanta, GA, is a distributor of sanitary products, equipment, and packaging serving the metropolitan Atlanta and North Georgia market areas. The acquisition enhances Imperial Dade’s presence in the Southeast and will provide customers of both companies with an expanded product offering and exceptional service.

“We enthusiastically welcome the Sikes team members to Imperial Dade. Their strong reputation and history of excellence make Sikes a great fit with Imperial Dade,” said Robert Tillis. “We look forward to working together to further grow the business.”

David Sikes, CEO of Sikes, said, “We are excited about the future of Sikes under the leadership of Imperial Dade. Our customers will receive the same outstanding service they have come to expect from us and a significantly expanded offering of products. Greg Truitt and I look forward to working with Bob and Jason as we continue to grow this business.”

Jason Tillis said, “Sikes is a leading provider in the Southeast region with tremendous commitment to its customers. This acquisition represents another step in our vision at Imperial Dade of creating the nation’s leading provider of foodservice disposables and janitorial supplies.”

About Imperial Dade

Founded in 1935, Imperial Dade is a leading distributor of disposable food service and janitorial supplies in the Northeast, Mid-Atlantic, Southeast, and Midwest regions and Puerto Rico. Since CEO Robert Tillis and President Jason Tillis assumed their roles in 2007, the company has grown both organically and through acquisitions to become a leader in the disposable food service and janitorial supplies industry.
