

REGALIA™ SERVINGWARE

# GREEN

for the masses

PRODUCTS®

# Party worthy

**Regalia™** servingware pieces are strong, grease and cut resistant alternatives to traditional plastics. Made from the same 100% renewable, BPI certified compostable sugarcane as our dinnerware and containers, these trays offer the same environmental benefits but on a larger scale. Now that's something to celebrate.

## GREENSTRIPE® by Eco-Products®

### Regalia™ Servingware

- Made from 100% renewable and reclaimed resources
- Made with sugarcane, a rapidly renewable resource
- Meet ASTM standards for compostability
- Grease and cut resistant
- Molded construction designed for strength and style
- For use with hot or cold foods
- Microwave and freezer safe (lids are not microwaveable)
