

Mr Muscle®

FOAMING OVEN & GRILL CLEANER

HEAVY-DUTY FORMULA

Oven & Grill Cleaner*

Mr Muscle® Foaming Oven & Grill Cleaner helps make tough cleaning as easy as possible. Its foam formula assists your oven cleaning efforts by removing baked-on soils so you can wipe them all away.

Cleans the Following Areas /Surfaces in Your Facility

- Cast Iron
- Ceramics
- Glass
- Porcelain
- Stainless Steel

*For Commercial and Industrial Use Only

Use Instructions

This effective cleaner is safe to use on porcelain, glass, ceramics, stainless steel, and cast iron surfaces. Keep spray or drippings away from the pilot lights, electrical connections, switches, receptacles, thermostats, heating elements, light bulbs, and other surfaces, clothing, floor tile, linoleum, plastics, chrome, copper, aluminum, and coppertones surfaces. Not for use on self-cleaning or continuous cleaning ovens.

DIRECTIONS:

Place newspaper under door to protect floor.
Wear rubber gloves to avoid skin contact.

1. Use on empty oven, either cold or pre-heated to 200°F and turned off. TURN OFF PILOT LIGHT and/or ELECTRIC SWITCH.
2. Hold can upright and point spray button away from face. SHAKE WELL, then spray inside of oven from a distance of 8 to 12 inches, giving it an even coating.
3. Spray top and bottom of oven first; then spray remaining oven surfaces and allow to stand about 30 minutes. (May be left on overnight with oven door closed.)
4. Wipe oven clean with damp cloth, sponge, or paper towel. Spots that are difficult to remove should be retreated and cleaned with a scouring pad. Rinse with potable water.
5. When clean, re-ignite pilot light, or turn on electric switch, and heat oven to 400°F for 10 minutes before using with food again.

Precautionary Statements

KEEP OUT OF REACH OF CHILDREN AND ANIMALS

Ordering Information
