

Greenware® On-The-Go Boxes

**Versatile, Convenient
and Sustainable**

Your customers are going places. And they want exciting food combinations to take with them. Crystal-clear Greenware® On-The-Go Boxes allow you to create, display and sell a world of meal and snack combos – from breakfast to evening snacks.

CREATIVE COMBINATIONS

Showcase a variety of creative food combinations with 1-, 2-, 3- and 4-compartment design options. The perfect breakfast bite. A delectable lunch. Irresistible snacks. You can package them all - beautifully and efficiently - in Greenware On-The-Go Boxes.

PERFECTLY PACKAGED

Greenware On-The-Go Boxes are compact, sturdy and shrink band-compatible for tamper evedency. Available in 5 styles with stackable lids that fit well on shelves and in cold cases.

GROW WITH GREENWARE

Greenware® products are made from plants, not petroleum. Greenware® On-The-Go Boxes are made from Ingeo™ biopolymer (PLA) and are compostable in commercial composting facilities.*

*BPI certified to be compostable in commercial composting facilities, which may not be in your area. Not suitable for home composting.

100% Plant Based. 100% Good For Your Business.

Greenware On-The-Go Boxes are made from plant sources that are domestically and annually renewable. Fresh, convenient and ready to grab-and-go. Choose plant-based Greenware® for your sustainable packaging solution.

Greenware® On-The-Go Boxes
